PROFESSIONAL EXPERIENCE

Project Manager

Desert Dreams Turf Landscaping & Swimming Pool

Jan 2025 - Present | Dubai, UAE

- Lead design development, technical detailing, site coordination and handover for 13+ luxury residential landscape and swimming pool projects.
- Managed the One by Omniyat commercial interior fit-out, including spatial planning, detailed drawings, contractor coordination and site quality control.
- Develop hardscape and softscape plans, water features, bespoke pergolas, pool details, lighting layouts and material selection boards.
- Coordinate structural engineers, MEP consultants, landscape contractors and pool specialists to resolve design and on-site technical challenges.
- Manage procurement, sample approvals, vendor negotiations and client sign-offs; oversee schedules, resources, budgets, site inspections and safety compliance.

Design & Building Architect

Vision Catalyst LLC

Jun 2023 - Dec 2024 | Dubai, UAE

- Designed RTA portacabin bus stations, premium bus shades and shelters, including spatial planning, structural detailing and technical packages.
- Developed Dubai Customs event structures and winter camp layouts, and Dubai Ambulance event and temporary-structure designs.
- Managed villa design development and detailed two landscape projects responding to client requirements and local environmental conditions.
- Prepared site surveys, feasibility studies, authority submission sets, fabrication details, framing plans and material specifications; coordinated stakeholders and modular assembly.
- Reviewed layouts, structural feasibility and finishes; produced 3D visualisations with Enscape, Lumion and D5, collaborating with interior designers and consultants.

Junior Architect

RID Architectural and Engineering

Feb 2022 - May 2023 | India

- Prepared working drawings, plans, elevations, sections and construction documentation aligned with local building and zoning regulations.
- Coordinated architectural, structural and MEP information; developed schematic concepts, spatial zoning and 3D visuals for client consultations.

Architectural Intern

Archinks Infracon Planners Pvt. Ltd.

Jul 2021 - Dec 2021 | India

- Supported schematic drawings, site plans, zoning analysis and specifications; assisted with CAD drafting, 3D modelling, visual presentations and documentation.
